ROC No: 200820334H

Our skilled educators are not only equipped with a vast of experience working with students from various backgrounds and academic abilities, they are also experienced professionals who have honed their skills in the field and in the classroom.

Each of our workshops is designed with the student in mind. Students will be engaged in fun-filled group discussions designed to stimulate thought processes to hands-on application experience.

## **ENGLISH ENRICHMENT WORKSHOP**

*The English Enrichment Workshop aims to provide customized and effective learning through the use of various reading resources catered to different levels of students. Each workshop through a series of lessons conducted by our trained tutors is designed to provide maximum opportunity in the language learning process for the integration and knowledge of the various functions and structures of the English language.*

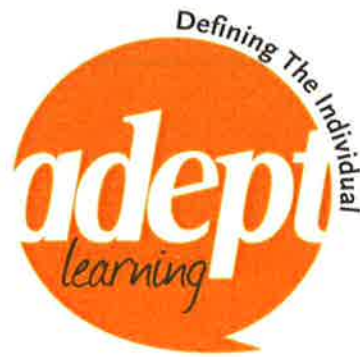

### **Objectives & Program Outline**

- ✓ *To help pupils inculcate a positive approach towards English language learning by introducing a range of resources and materials with different text types designed in-line with school syllabus.*
- ✓ *Reading skills (e.g. reading comprehension, reading aloud with expression, pitch and clear diction, critical analysis, comparing & contrasting written information)*
- ✓ *Writing skills (e.g. summary writing, reports, imaginative writing)*
- ✓ *Listening skills (e.g. understanding facts and ideas, taking notes, summarizing main points, good listening habits)*
- ✓ *Speaking & Presentation skills (e.g. discussion & debates, conversational skills, presenting ideas and opinions, role play)*
- ✓ *Thinking skills (e.g. selecting information, brainstorming and generating new ideas, organizing thoughts and ideas)*
- ✓ *To help pupils develop self-motivational and time management techniques to achieve better examination results.*

### **Learning Outcomes**

*At the end of the workshop, students will be enriched with an enhanced knowledge of the importance and usage of the English language which will help the individual better comprehend what they read, express their thoughts and opinions more effectively verbally and in writing.*

# PRESENTATION & PUBLIC SPEAKING SKILLS

**Adept Learning Pte Ltd**

ROC No: 200820334H

*Almost every one of us will be involved in public speaking in some form at some point in our lives, therefore, preparing and equipping students with the necessary skills to do this at an early stage will help them be better communicators. Our trained tutors will, in a series of fun and exciting activities educate and equip our students with the necessary skills to be effective public speakers.*

## **Objectives**

- 1) *To train students to be effective public speakers*
- 2) *To be able to capture and maintain audience attention and to respond effectively to questions*
- 3) *To develop confidence speaking before an audience*
- 4) *To develop and improve speech clarity and articulation*
- 5) *To enhance students performance in oral communication through effective collaboration in front of the audience*

## **Program Outline**

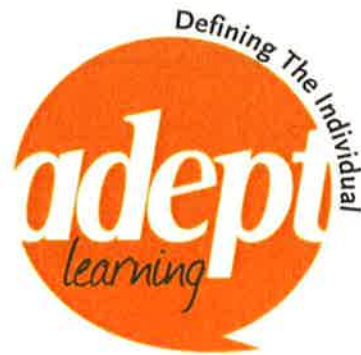

- *Importance of presentation skills in public speaking*
- *Difference between delivering a presentation and a speech*
- *Audience analysis*
- *Overcoming stage fright*
- *Developing confidence speaking before an audience*
- *Use of visual aids for presentation*
- *Delivery of presentation effectively*
- *Handling questions effectively*
- *Involving students participation (Hands-on)*

## **Learning Outcomes**

*At the end of the workshop, each individual will be equipped with skills that will allow them to articulate their thoughts and emotions confidently. Hands-on practice sessions will enable students to develop into a more confident and fluent individual who is able to deliver an effective collaboration in front of an audience.*
